## Classic Challenge 2011

The Lancashire Automobile Club organises a series of Classic events throughout the year. The Classic Challenge is open to all members of the Lancashire Automobile Club who take part in these events. The Challenge is open to both drivers and navigators with trophies awarded at the Club's Annual Diner Dance and Prize Presentation.

This Challenge will be staged to promote interest in the Club's events and to encourage some friendly rivalry between members.

The Challenge enables drivers and navigators to claim points for each event entered, started and finished. Points will be recorded on a simple scorecard which must be sent to the Championship Compiler, Chris Lee, before the 25<sup>th</sup> October 2011.
