

Supported by the Royal Society of St George

LANCASHIRE AUTOMOBILE CLUB 10th St GEORGE'S DAY RALLY
Sunday 22nd April 2012 11am - 3pm
& FBHVC DRIVE IT DAY

FBHVC & LAC urges all owners of licensed classic & historic vehicles to use them on 22nd April 2012 – and every year. This will be yet another truly national annual event and one that all enthusiasts can take part in wherever they live. It's absolutely free of entry forms, fees and red tape.

(Charitable contribution is encouraged) Do make sure your members know about it! *

It's not necessary for owners to go to a show or to take part in an event, FBHVC just wants owners to get their vehicles out so they can be seen by the public. If the vehicle is suitable, it could be used instead of modern transport for daily activity. Owners could use them to go to work take a trip to the seaside, enjoy a day out in the country, visit a stately home or just go shopping.

For those with unlicensed, older, larger or slower vehicles for which such use would be impossible, impractical or inappropriate, owners could at least get them out and park them on the drive where they can be seen.

FBHVC exists to uphold the freedom to use old vehicles. Drive It Day is part of an ongoing campaign to raise public awareness of the historic vehicle movement. "After all," Tony Beadle (the committee member who came up with the idea) asks, "what's the point in fighting for a freedom if we don't make the best possible use of it?" "I thought 23rd April would be a singularly appropriate day to choose to celebrate the glorious variety of mechanized road transport heritage that we have in this country because on that day in 1900, 64 cars set out from London on the first day of the famous Thousand Mile Trial round Great Britain – an incredible undertaking by those early motor cars and their pioneering drivers, and one which deserves annual celebration."

***To be part of the above and celebrate St George's Day, Lancashire Automobile Club, Established 1902, will be holding our Annual run through the beautiful Ribble Valley & Lancashire countryside. We will be meeting at Mitton Hall, Est 1457! -situated at Great Mitton BB7 9PQ - on B 6246 1.9 miles on the left from Whalley town, from 09:00am to 11am on the day! (after which – just turn up!) The Entry list is open from 1st February 2012**

We will be starting the Run at 11:00am aiming to arrive back at Mitton Hall for late lunchtime – around 2:00pm.

Dress Code: "St George's Day flags" – bring your own, or available at the Start ! The only cost is that LAC asks for a donation of £10 per car which will go to two worthy Charities, the Make-A-Wish Foundation, The Royal Masonic Benevolent Institution and a little to administration.

The Lancashire Automobile Club, Established 1902, a Centenary Club in Motor Sport recognised by the Royal Automobile Club - invites all owners of classic, historic or interesting vehicles to come and join us, the more the merrier and all the better for the cause.

This is our 10th year for St George, 111 cars last year – lets go for the 150!! © LAC 1999
